A Chairde

It is a pleasure to welcome you to **Clonakilty Lifelong Learning Festival**, a week-long event devoted to the exploration and celebration of learning.

The festival's motto of *Explore Create Celebrate* is very evident this week in Clonakilty and in the various learning festivals throughout Cork county.

With an emphasis on celebration, the festival highlights the fact that learning is no longer seen as something that happens only in classrooms – it is a process which happens in many settings and throughout life.

It is an opportunity for people of all age groups and cultures to showcase their work and to explore new avenues. It also highlights the power of community endeavour and good will.

The festival has something for everyone, so please join us and celebrate this diversity of learning, artistic expression and its potential for creating change.

My sincere thanks to all those involved in organising the festival.
